**Drug & Alcohol Program Updates – John Fox**

a. Case Management –

- i. John handed out a Case Management service and Performance Indicator document. John discussed this document and its use. The vision is for all people requesting case management services will have access to all of the individualized support services needed to help lead healthy and productive lives throughout recovery. The goal is to demonstrate the impact the case management services have on positive client outcomes and continuously improve client engagement and retention in services. The objective is to

systematically collect indicators related to case management, client, and treatment activities to allow for data informed continuous quality improvement and performance measurement efforts within Greene County Human Services Department.

- ii. John handed out numbers on October 2020 treatment. Discussion occurred.
- b. Prevention – John went over the current prevention projects and upcoming events. John mentioned of the discussions with the school districts reminding them that we are still available to help them with their prevention needs. SAP numbers are down for this school year.
- c. Recovery Oriented System of Care (ROSC) – Opioid Task Force –
  - i. Greenbriar is looking to put a halfway house in Greene County.
  - ii. John, Commissioner Belding, and Bob Terry had a meeting to discuss a Recovery House. DDAP is to send the regulations on this. Discussion occurred on the Oxford Houses.
  - iii. Daniel Deery was not available to attend to give an update on the Drug Court. She was at a training.
  - iv. Greene Treatment Center is under new management.

**Comments/Public Comments – none**

**Announcements –** George Blystone handed out flyers for the Greene County Historical Society Open House.

**Adjournment – A motion was made by Betsy McClure to adjourn the meeting and second by Tom Schlosser.**
