

If you're not in need of the venues at the Greene County Fairgrounds for one of your own events, come to one of ours! The Greene County Fair is an August tradition in this corner of Southwestern Pennsylvania. There is so much to do you couldn't possibly leave disappointed. The fair offers carnival rides, market and 4-H shows, a demolition derby, tractor pulls, live music, food vendors, a competition for fair queen, auctions, harness racing, baking contests and home & garden exhibits. In addition to summertime fun at the fair, the fairgrounds serve as the site for the Flea Market held each Tuesday and Saturday. Several other local festivals, auctions, and markets are held at the fairgrounds as well. Be sure to check the County Website for a listing of events being held at the fairgrounds and elsewhere in the county.
