#### VOTING PRECINCT INFORMATION

---

Greene County has 44 voting precincts — with a different Election Board serving each precinct. The Election Board has three (3) elected members (serving a four-year term): Judge of Election, Majority Inspector and Minority Inspector; the board might also have one or two clerks. Greene County also has an Elections Board to oversee the entire elections process and provide guidance to each precinct.

Listed below are location details for each precinct along with a picture of the polling place, a map for directions to each polling location, and the names of the elected district board officials (listed by Judge of Election, Majority and Minority Inspectors (respectively)).
