

Tri-County Oil & Gas Expo

of Fayette, Greene, and Washington Counties

C/O Community Bank 100 N. Market Street Carmichaels, PA 15320 • 1-888-223-8099

September 1, 2010

Dear Employer:

The Tri-County Oil and Gas Committee and the Pennsylvania CareerLinks[®] of Greene, Washington and Fayette Counties and the Mon Valley are pleased to invite you to participate in the Tri-County Oil, Gas and Coal Job Fair. The event will be held on Friday, October 8, 2010 from 9:00 AM to 3:00 PM at the Greene County Fairgrounds in Waynesburg, Pennsylvania. The Oil, Gas and Coal Job Fair is free to employers and job seekers.

As the development of natural gas from the Pennsylvania Marcellus Shale increases, the potential of providing thousands of jobs in Pennsylvania exists. One of the great challenges for the natural gas industry and for our area is the availability of trained, reliable, skilled workers, both white and blue collar. The Oil, Gas and Coal Job Fair is designed to focus on career opportunities and to match job seeker and employer. We want the industry to find the workers they need and we want our local people to have good paying, stable jobs.

You may accept applications and resumes, offer information about positions currently available, and interview for part-time or full-time positions. We encourage you to provide information that promotes your business.

Your participation at the Oil, Gas and Coal Job Fair enables you to:

- Eliminate the expense of recruiting candidates
- Provide you with an opportunity to pre-screen candidates for future hiring.
- Receive information on the availability of federal and state tax credits
- Have the opportunity to network with other business owners
- Encourage economic development by offering employment to local applicants

Please reserve your space by completing the enclosed registration form. Return the form to the Pennsylvania CareerLink[®] Greene County by October 1, 2010. Please direct any questions to Barbara Cole at 724-852-2900 extension 229.

We hope to see you on October 8, 2010 at the Tri-County Oil, Gas and Coal Job Fair.

Sincerely,

A handwritten signature in black ink that reads "Andrew M. Corfont". The signature is written in a cursive, flowing style.

Andrew M. Corfont
Chairman
The Tri-County Oil and Gas Committee
