

Sheriff Tennant's K-9 Program

Muzz Dagen, the Sheriff's K-9 German Shepherd.

Sheriff Brian Tennant has been Dagen's handler since he was 1-yr old (2012), and was Greene County's second certified police dog and the first K-9 for Waynesburg Borough Police Department. Sheriff Tennant brought Dagen along from the Police Department when he became our Greene County Sheriff.

Dagen, a German Shepherd, trains with other local police-dog handlers. These K-9's are able to assist officers in everything from a drug search of vehicle or a home to the tracking of a missing person or a suspect of a crime. Dagen is considered a police K9 officer with a goal of helping to keep our community safe.

Tennant obtained Dagen in October 2012 from Battle Ridge Kennels & K-9 Services, LLC, in Madison, W.Va. The pair trained at Garrow Canine Training in Charleroi, the same facility where Cumberland Township Police Chief Craig Miller and Artis, the first police K-9 in Greene County, trained.

If you would like to schedule a K-9 Demonstration for your school or group please call the Sheriff's Office at 852-5218 or 724-627-7207.
