

Perry Township Board of Supervisors
October 13, 2020
3:00 P.M.

Call to order by Facilitator Frank Basile, Chairman, with board members present: Ronald Howard and Mickey Lemley with Chris Jarrell, Secretary. Pledge to Flag.

Public in Attendance: None due to Covid 19.

Public Comments: (all comments are limited to no more than 5 minutes per person). Sami Reed emailed the following questions: Why were the basketball court lines not done when the tennis court was, that was in the original estimate which was approved in July? The Township questioned the same thing. Polce Sealcoating informed us that due to the basketball hoops being on the side of the court, they could not paint the lines as there was not enough room and the lines would paint over the tennis court lines. They did adjust the bill for that amount.

Will the tennis court net be purchased with the money in the Rec Board account? Yes the tennis net was paid for out of Rec Board account. It is installed.

What is the plan for the money left in the Rec Board account? As stated, the funds are the property of the Township.

Is there a way to listen to the meeting discussion? At this point, no. The Township does not have a phone system capable of multiple calls and cell service does not work in this area. The Township is looking into options for the next meeting such as recording so that you may schedule a time to come up the next day to listen to the tape.
