Greene County Elections Office Announcement

FOR IMMEDIATE RELEASE

WAYNESBURG – The Greene County Elections Office desires to inform voters that the state voting system has erroneously sent out duplicate e-mail notices to voters stating that their ballots have been mailed. Individuals should ignore the duplicate notification and know that the voter registration and ballot accounting system will not allow duplicate ballots to be sent or received.

The Elections Office is coordinating with the State Elections Office. This is simply a computer-generated e-mail issue and there is no reason to call the Greene County Elections Office.

Additional information can be obtained on the Greene County Website, the Greene County Commissioner's Facebook page or by calling the Department of Elections at (724) 852-5230.
