FOR IMMEDIATE RELEASE

County to discontinue Saturday flea market at fairgrounds

Commissioners announce ‘BOGO’ option for vendors at Tuesday flea market

WAYNESBURG, PA. – Greene County Commissioners announced that the flea market held at the county fairgrounds will continue on Tuesdays but are being discontinued on Saturdays.

The flea market will continue to be held from 7 a.m. to 3 p.m. every Tuesday, and vendors who sign up on any given Tuesday will receive a “Buy One, Get One” ticket that will allow a free spot (meaning the regular \$6 fee will be waived) at the flea market on another Tuesday of their choosing during the season.

“The Tuesday flea markets are better attended but the Saturday events have been hit-or-miss in attendance due to other weekend events and activities being held throughout the county, so we believe that by focusing on one flea market each week we will generate even more excitement and participation in this weekly event,” said Commissioner Dave Coder.

Vendors interested in setting up at any Tuesday flea market will still be allowed to do so on a first-come, first-serve basis.

For more information, call the Greene County Department of Recreation at 724-852-5323.
