June 2020

General Information

The Greene County Conservation District (GCCD) rents a Stoltzfus 4.5-ton wet lime spreader. A **minimum** of a **75hp tractor** is required. The lime spreader may be rented **only** by Greene County residents and for use **only** within the county. The User/Operator must be a Pennsylvania licensed driver and submit proof along with auto insurance documents. Each operator is responsible for pick-up and return of the lime spreader to Frosty Springs Farm on Garards Fort Road. **You will need your own hitch pin. NO INTERSTATE HAULING. You must idle down before engaging PTO.**

Please take care of the lime spreader as if it was your own. While the lime spreader is on your farm it must be stored inside or covered. You will be responsible for any negligent misuse of the machine. Accessories (pins, wheel chocks, hitch, etc.) included with the lime spreader must be returned, clean, and in the same condition they were in at initial pickup. Misuse of the lime spreader and/or accessories will result in additional fees and/or the withholding of the deposit. Careless use or abuse will prohibit you from using the drill in the future. GCCD staff/Board member and user/operator will inspect the lime spreader before pick-up and after return for general maintenance and damages.

GRACE Participants:

GRACE participants interested in utilizing the lime spreader are encouraged to fill out lime spreader agreements at the time of their GRACE contract signings. There will be no fees associated with their lime spreader agreement, unless there is misuse of the lime spreader and/or accessories.
