Bids for the paving project on a portion of Morris Run Road were received from Morgan Excavating for \$112,550.00 and El Grande Industries for \$124,850.00. Paul made a motion to award the contract to Morgan Excavating. Dan seconded and the motion was carried unanimously.

Equipment purchases were discussed. The board is currently researching a mowing machine instead of buying a new tractor. The machine is multi-functional depending on the attachments and can be used year-round instead of just for mowing. The board is looking to replace the 2014 Massey Ferguson with the boom mower.

It was discussed to invest in certificates of deposit with First National Bank to earn better interest for the township funds. Paul made a motion to invest funds from the Capital Reserve Fund, Fire Fund, General Fund and Sewer Fund. Dan seconded and the motion was carried unanimously.
