

## PUBLIC NOTICE

The Perry Township Supervisors have approved a Property Tax Relief Program for the residents of Perry Township. The Board of Supervisors believes it necessary to assist its residents in light of the COVID-19 pandemic. Therefore, the Township Supervisors are extending the discount rate period for payment of real estate taxes and associated assessments from May 12, 2020 to August 31, 2020. The Township is also waiving any fee or penalty that would be associated with the late payment of real estate taxes and assessments if they are paid in full by December 31, 2020. This policy will only affect the payment of the Perry Township real estate taxes and assessments for the 2020 year only. We hope that this new policy helps our residents in these extraordinary times.
